

Erie 2-Chautauqua-Cattaraugus BOCES School Improvement Program

Science Regional Forum

Facilitated by Debbie Biastre, Director of Curriculum, Eden CSD

This new collaborative effort is designed to bring together regional Science leaders (department chairs, curriculum coordinators, building principals, lead teachers and others) in order to provide opportunities to support curriculum, instruction, and assessment practices that help students learn. To enhance the quality of this collaborative effort, it is important that participants are available to attend all dates listed.

Participants will:

- Share resources and successes with colleagues
- Learn about “Best Practices” in the region
- Receive current information from NYSED and other sources
- Help shape regional professional development
- Set other initiatives for the group through the course of the year
