

Erie 2-Chautauqua-Cattaraugus BOCES ☐ School Improvement Program

**Physical Setting/Earth Science Performance Test Training
Facilitated by Regional Turnkey Trainers**

The NYS Regents examination in Physical Setting/Earth Science has a new laboratory performance test which will be administered for the first time in June 2008. The performance test consists of hands-on tasks set up at four stations and will measure student achievement in the NYS Learning Standards for MST.

Participants will:

- Become familiar with the procedure to assemble, administer, and score the four stations
- Review the students answer booklet and rating guides
- Review security procedures for the assessment
