

Erie 2-Chautauqua-Cattaraugus BOCES  School Improvement Program

## Inquiry in Middle Level Science

Facilitated by Deborah Biastre, Director of Curriculum, Eden Central School District

*"Tell me and I forget, show me and I remember, involve me and I understand."*

*Inquiry is critical to the instruction of science, particularly at the middle level where student engagement and motivation is key to learning and development. This workshop is designed for those teachers looking for strategies and methods to engage their students in science.*

**Participants will:**

- Participate in inquiry based activities that will engage students and meet NYS Standards
- Create and modify current lessons and labs to develop more inquiry-based learning

**DATE:** Tuesday, December 4, 2007  
**TIME:** 8:30 am—3:00 pm  
*(Registration begins one half hour before workshop begins)*
