

## Erie 2-Chautauqua-Cattaraugus BOCES ☐ School Improvement Program

### Direct Vocabulary Instruction

*Presented by Christine Cutler, Staff Development Specialist, School Improvement Program*

*Current research indicates that the connection between direct vocabulary instruction and reading skills development is crucial to student progress and performance. This workshop will explore instructional strategies that scaffold teaching and learning of content area vocabulary to improve student comprehension.*

Participants will:

- Focus on research based strategies that develop specific approaches to vocabulary instruction in the content areas
- Practice with tools and approaches that can be implemented into lessons to increase motivation and comprehension
- Incorporate strategies that enhances student reading fluency.
